

User License Agreement for “DinoCapture”

Important Notice – Please Read Carefully: This user license agreement (the “**License Agreement**”) is an agreement legally agreed between You (an individual or a single legal entity is referred to as “**You**” in the License Agreement) and AnMo Electronics Corporation (referred to as “**Licensor**” in the License Agreement) with respect to Licensor’s software of DinoCapture (the “**Software**”), in which the Software contains computer program, relevant media, written data, and any “on-line” electronic document and service possibly included, and also contains any corrections to mistakes, supplements, expansion of function, internet service and new version that the Licensor may possibly provide or supply to You after the date You initially acquired a copy of the Software, provided that the above items are restricted to those that are not accompanied with other independent license agreement or use provisions. Your installation, copy, download, or use of the Software in other methods represents that You agree to be bound by the provisions prescribed in the License Agreement. If You disagree with the provisions of the License Agreement, the Licensor is not willing to license the Software, then You are not permitted to install, save, duplicate, distribute or use the Software.

Software Licensing

The Software is exclusively owned by the Licensor and is protected by Copyright Act, international copyright agreements, and other laws and treaties in association with intellectual properties. You are not permitted, in any way, to duplicate the source code of the program, textual data, figures, images, music, sound effects documents, and the accompanying user manual and other written data of the Software. You are also not permitted to acquire or use the source code of the program, textual data, figures, images, music, and sound effects documents of the Software. The Software is only supplied for licensing, not for sale.

1. Grant of the Right to Use

The Licensor hereby grants You a limited and non-exclusive right to copy the Software to install and use on Your computer, and where the computer is only operated or accessed by the same user. And the user:

- (1) is not permitted to revise the Software;
- (2) is not permitted to distribute the Software or part of the Software;
- (3) is not permitted to assign to others any right granted by this License Agreement; and
- (4) is only permitted to use the Software with hardware devices manufactured by the Licensor, manufactured under the instructions of the Licensor, or supplied by the Licensor.

The Licensor retains all other rights.

2. Organizational Use

Notwithstanding Section 1, “Grant of the Right to Use,” the Licensor hereby grants You a limited right to make copies of the Software and distribute such copies to others within Your

employer's organization so long as each recipient agrees to be bound by this License Agreement. If others within Your organization do not have this opportunity to agree and You would still like to distribute copies of the Software to them, You may do so only if You have the legal right to bind Your organization (and others within Your organization) to this License Agreement. If You do not have this right and the recipients do not have an opportunity to agree to this License Agreement, You may NOT distribute the Software to them. If You have any questions regarding the terms of distribution, please send an email to support@anmo.com.tw .

All distributed copies of the Software must include all original copyright notices and any other proprietary information included on the original copy. AnMo is not obligated to provide maintenance, support, or updates to You for the Software.

3. Other Rights and Restrictions

- (1) **Copyright Label:** You shall maintain all the copyright labels on the Software copy.
- (2) **Restrictions to Reverse Engineering, Decompiling and Disassembling:** Without the Licensor's prior written consent, You are not permitted to reverse engineer, decompile, or disassemble the Software, except when the above restrictions are explicitly prohibited by applicable laws.
- (3) **Trademark:** The License Agreement does not grant You any right in association with any trademark or service trademark of the Licensor or its suppliers.
- (4) **Lease or Provision of Lease Service for Commercial-Use Host Computer is Prohibited:** You are not permitted to, temporarily or permanently, lease or lend the Software for use, or use the Software to provide commercial-use host computer lease service to a third party.
- (5) **Support Service:** The Licensor is not obligated to provide support service in association with the Software (the "**Support Service**") to You. The use of the Support Service shall be conducted in accordance with the user manual, "on-line" documents, or the policy and plan prescribed in other data provided by the Support Service provider. The correction to mistakes, supplement, expansion of function, internet service and new version as part of the Support Service provided to You shall be deemed as part of the Software and subject to the restrictions prescribed in the provisions of this License Agreement. You understand and agree that the Licensor may use the technical information provided by You to the Licensor as part of the Support Service for commercial purpose, including products support and development, etc.

4. Intellectual Property Right

All rights and intellectual property rights in association with the Software (including without limitation the images, figures, animation, videos, sound effects, music and texts contained in the Software), written data contained therein, and any ownership and copyright of the copies of Software shall be owned by the Licensor. In the event that the Software contains document exclusively provided in electronic format, You may print one copy of that electronic document. You are not permitted to duplicate the written data attached to the

Software. Any and all rights not specifically granted in the License Agreement are retained by the Licensor.

5. Breach Compensation

In the event that You breach any of the above provisions of the License Agreement, You agree to unconditionally compensate the Licensor NT\$ 5,000,000 and make full payment within one week of the Licensor's notice letter mailing date.

6. Disclaimer of Warranties

Within the maximum extent permitted by relevant laws, the Licensor and its suppliers provide the Software and (possible) Support Service "as is" with any and all defects contained therein. The Licensor and its suppliers do not provide any other explicit, implicit or statutory guarantee concerning defects or provide any conditions with respect to the Software and Support Service that is provided or unable to be provided, including without limitation the warranty of merchantability, fitness for a particular purpose, accuracy or completeness of response, consequence, damages incurred by events that do not involve negligence, lack of manufacturing technology, virus, or causeless negligence, or any (possible) implicit guarantee to defects or its associated liabilities or conditions in association with any of the above items. At the same time, with respect to the Software, the Licensor and its suppliers also do not provide guarantee or conditions to ownership, use without interruption, possession without interference, conformity with textual description, or non-infringement of rights.

7. Exclusion from Accompanied, Derivative, or Other Specific Damage Compensation Liability

Within the maximum extent permitted by relevant laws, the Licensor and its suppliers shall not bear any damage compensation liability with respect to the specific, accompanied, indirect or derivative damages that arise from or are associated with the use of or inability to use the Software, provision of or inability to provide Support Service, any provisions contained in the License Agreement (including without limitation loss of profits, extinguishment of confidential or other information, suspension of business, personal harm, loss of privacy right, inability to perform any obligations including good faith or duty of reasonable care, damages arisen from negligence, and other monetary or other loss). The Licensor and its suppliers do not bear any responsibility, even though the damages are caused by mistakes, torts (including negligence), strict liability, breach of contracts, or breach of guarantee to defects committed by the Licensor or any suppliers. Prior notice from You concerning the possibility of such damages will not in anyway affect this provision.

8. Entire Agreement

The License Agreement (including any addendum or attached agreement to the License Agreement contained in the Software) is the only and exclusive agreement between You and the Licensor with respect to the Software and (possible) Support Service, and supersedes any prior or simultaneous oral or written communication, proposal and representation in association with any other topics covered by the Software or this License Agreement. In any conflict between the guiding principle or plan of any Support Service provided by the Licensor and the provision of this License Agreement, the provision of this License Agreement prevails.

9. Severability and Survival

In the event that part of provisions in the License Agreement is deemed invalid in accordance with laws, other provisions shall remain in full force and effect.

10. Termination of License

In the event that You fail to observe the provisions of the License Agreement, the Licensor and its suppliers may, on condition not to hinder other rights, terminate the License Agreement. You may also unilaterally terminate the License Agreement after legally acquiring and installing the Software. Upon termination of the License Agreement, You shall completely remove and terminate the use of the Software and destroy all copies of the Software and all of their components, and the Licensor will neither guarantee any or all existing or derivative damage compensation liability due to the above termination of the License Agreement, nor bear any liability to refund. The Licensor retains the right to terminate the License Agreement and Your use of DinoCapture at any time.

11. Governing Law

You and the Licensor both agree that disputes in association with the License Agreement shall be governed by and construed in accordance with the laws of New York State (United States), exclusive of choice-of-law rules. Any dispute between the Licensor and You arising from or relating to this License Agreement will be determined exclusively by the Federal Court for the Southern District of New York (and the appellate courts thereof), to whose jurisdiction the parties irrevocably consent; provided, however, if for any reason that Court should lack jurisdiction over any such suit, the same shall be brought exclusively in the courts of the state of New York, to whose jurisdiction the parties irrevocably consent. Each party shall be responsible for its own fee.
